2.1P: In Person Check-in 1 – Answer Sheet

1. Briefly describe your prior experience with programming.

   I have done intro to programming. So I have learnt ruby

2. Based on what you have seen so far, what do you think will be most challenging about this unit?

   => I thing using NUnit Test will be the most challenging

3. What can you do to prepare yourself for that challenge (resources you can use, approach to studying, etc.)?
   => I think I can watch some youtube videos and practice more to get myself familiar with this environment more

4. Is there anything you think the teaching staff should know to best help you this semester?
   ⇨ The teaching staff may provide us some sore sample examples, where we can see or familiarize ourselves with this new coding platform more
